# Spartan LEAF PRO

# SELF-CONTAINED LEAF VACUUM

## FEATURES

- Safety interlock system on intake nozzle
- 30" balanced fan
- 84 – 99 HP Diesel-powered Engine from Kubota® or John Deere®
- 20 - 30 Yd collection body with full tailgate
- 16" diameter pickup hose with 3-function hydraulically controlled pickup arm.
- Optional manual or electric hydraulic valve controls
- Optional Ride-on seat
- 35- to 75-gallon fuel tank
- 14,000-pound 3" adjustable pintle eye with safety chains
- Standard dual hydraulic jack
- DOT-compliant lighting and markings
- 12-volt battery with electrical system
- Optional 100-gallon dust control system with one pump & three nozzles
- 12,000-pound axles with electric trailer brakes

## Spartan Leaf Pro Plus

The New Spartan Leaf Pro Plus self-contained vacuum collector with hydraulic valve controls will make quick work of any cleanup job. Designed to the highest standards, the Spartan Leaf Pro Plus reduces operator fatigue, increases efficiency and relies on our commitment to quality, service and customer satisfaction.

## Standard Features

The Spartan Leaf Pro Plus sports a pull-behind design and comes equipped with two 12,000-pound axles with trailer brakes.

The many standard features include:

- 16" diameter pickup hose and dust shade nozzle
- 30" balanced fan
- 50 gallon fuel tank
- Hydraulic jack
- DOT-compliant lighting and markings

## Bolt-On Options

Our engineers also have designed options for the Spartan Leaf Pro Plus that are "bolt-on," making it easy and affordable to add options at any time. (See back page for a full list of options)

## Unique Collection Box

The unique leaf containment body features a tapered design with adjusted corner angles, along with a packer overdoor. In addition, the leaf turning plates eliminate gap cups or tightly packed sheaves.

## Safety First

When you purchase the Spartan Leaf Pro Plus self-contained vacuum collector, you can rest assured you are getting the highest in quality and safety which have become synonymous with Titan Leaf Solutions. The Spartan Pro Plus comes with a Certificate of Origin, DOT-compliant lighting and markings, trailer brakes, safety interlock system and battery protector. Our fabricated fluid tanks have been tested and inspected in DOT-certified facilities, and our trailers are certified by the National Association of Trailer Manufacturers (NATM). When the nozzle is stored, the Spartan Leaf Pro Plus vacuum is within the DOT's legal towing width.

When the cold winds of fall begin blowing and the colorful leaves have turned into a dreaded problem, choose the Spartan Leaf Pro Plus to make quick work of your cleanup.

Call us toll free at 800-351-9664 for additional information and receive your free demonstration.
