Re: 2015 MFT
Section 15-00000-01-GM

Dear Mayor Stokes,

In response to the Notice to Bidders, bids were received until and opened at 9:00 a.m. on Tuesday, July 14, 2015 for the above-referenced work. Representatives from the Town, contractors bidding the project and our firm were in attendance. A tabulation of the bids is attached for your information and record.

Two bids were received for the work and they were both higher than the approved IDOT estimate of $116,418.00. As discussed with staff on Monday, July 20th, it is our understanding the Town wishes to reduce the scope of work by eliminating the proposed concrete work and pavement patching along Somonauk Road.

We recommend the acceptance of the bid and approval of award be made to the low bidder of the **reduced project scope as noted**, Builders Paving, LLC dba Hardin Paving Services, 4413 Roosevelt Road, Suite 108, Hillside, IL 60162 in the amount of $72,375.00.

Builders Paving, LLC has confirmed it is willing to proceed with the project of this reduced scope with the unit prices as provided on the bid tabulation.

I trust that the information contained herein is in line with your expectations. If you have any questions, please don't hesitate to contact me at this office.

Sincerely yours,

Brandy Williams, PE, PLS
Town Engineer
