Unfinished Business
Discussion Regarding Residential Trash Collection
Trustee Stone stated that he thought the Rock Falls ordinance on trash collection was one to review when the time comes. Trustee Fioretto agreed.

Mayor Stokes stated that the Town's ordinance was adopted in 1963, so we may need to look at adopting a new ordinance.

Mayor Stokes said that he is looking into licensing businesses also. Clerk receives a report from Dept. of Revenue, so tracking businesses should not be a problem. The purpose of a business license is to have an accounting of businesses moving in and out of Cortland. A business license would have key holder and contact information if there is a problem after hours. This could include home based businesses as well.

Trustee Lanning moved and Trustee Fioretto seconded a motion to postpone discussion until next meeting. Unanimous voice vote carried the motion.

Comments/Concerns
Trustee Fioretto asked about mowing in front of Heatherfield. Mayor Stokes explained that as long as the weeds are knocked down it is within the code.
