Monthly Report: Public Works Department

Town of Cortland

To: Mayor, Russ Stokes
From: John Kocher

02/21//15 to 03/19/15

Public Works

- Repaired air leak on truck #12
- Put up light fixture at entrance to Natures Crossing and installed 1st LED sample light
- Installed sample LED light in front of Town Hall
- Plowed one snow event
- Washed all snow moving equipment
- Cleared all storm drain prior to snow melt
- Had Burkes Hauling bring the trailer to shop, unloaded equipment and started inventory list of what is there. Out of all the equipment in trailer we are able to make 1 item called Tilted Sky Runner.
- Patching pot holes continues
- Street sweeping has begun
- Cleaned outlet pipe at triangle pond in Heatherfield
- Removed all of our fiberglass makers at radius locations. This is the first year we have used them and they proved to be very helpful. I have not seen any spots that will need repair
- Finished Budget for Public Works
- Continue to look for funds for LED lighting upgrade

Storm Sewer

Nothing to report at this time

Thank you, John
