FEHR GRAHAM
ENGINEERING & ENVIRONMENTAL

Memo to: Mr. Russell Stokes – Mayor
Subject: Monthly Engineering Report – May

From: Fehr Graham
Date: June 20, 2019

A. DeKalb County Highway Department - Somonauk Road:
The County Highway Department has gone out for bid for a project which will replace or construct new sidewalk along Somonauk Road from Meadow Lane to North Avenue. The east side will have complete continuity while the west side will connect partial sidewalks. The construction is expected to take place late summer.

B. Survey Work:
Nearly all field work has been completed. The platting and research process has started and will continue as additional parcels are added to the scope.

C. MFT:
The underground work on North Avenue is nearly complete. The paving project is planned for early fall.

D. DSATS Committees:
The Active Transportation Plan is under final review. The plan was updated to reflect planned or potential pedestrian or bike paths throughout Corltand.

E. Miscellaneous Items:

- Attendance at Board meetings, as requested.
- Building permit engineering review, as needed.
- Sidewalk and driveway inspections, as necessary.
- Meet with potential developers/owners, as needed.
- Monthly NPDES inspections.
- Representation at DSATS meetings, as scheduled.

Respectfully Submitted,

Brandy C. Williams

Brandy. C. Williams, PE, PLS
Town Engineer
