- Cleared out old mulch and cored out or new concrete wall
- Hauled 118 ton of pea gravel from Kaneville gravel pit to suppeland Park fro fall protection
- Cored out 380' of dirt for sidewalk installation at new park area in natures crossing, added gravel base and compacted. Hauled in and leveled dirt after sidewalk was poured and seeded
- Killed grass, added compose and installed 3 large boulders in the Girl Scout area
- Planted bushes a the Public Works building
- Poured two flag pole bases and ramp to Suppeland park playground area
- Property mowing continues
- Striped PD parking area
- Pulled gravel out of yard on Airport Road
- Had all trucks to the test lane

**Storm Sewer**

Continue working on trying to dry up CCP pond. We are installing two low flow inlets to help divert the daily water run but still allow rain events to go overland.

Working on trying to reroute storm sewer on Chestnut

Thank you, John
