Storm Sewer

Cleaned out silt from concrete sidewalk through all the detention ponds in Cortland Estates to Heatherfield

Repaired broken sump line in NeuCort Lakes sub-division. Should have been a HOA repair but we had it exposed so we just made repair.

Jetted storm sewer between Mary Aldis Ln and Pampas. Line is clean and working now but we will need to work with Mediacom to repair a pipe that they hit while boring in their line.

Thank you, John
