Streets and maintenance

- Put up Holiday decorations up downtown
- Plowed and salted snow and sleet as needed, we gone through approximately 80 tons of salt so far
- Cleaned up area around generator in preparation of Rush Power to come in and get Generator up and running
- Installed Post and signs for limited parking on Ellwalk
- Repaired all signage in Richland Trails
- Installed 5 LED retro light kits in downtown lights
- Patched holes throughout town
- Repaired hose leak on basket truck
- Repaired flag pole light at CCP
- Took down all Holiday decorations
- Washing trucks after each snow or ice related event

Storm Sewer

Had an outlet blockage at the CCP retention pond, we were able to get into the manhole and jet 6” pipe to regain flowage. It took about a week for water to get out of pond

Thank you, John
