Streets and maintenance

- Street sweeping continues
- Pot hole patching continues
- Cored and installed gracvel sidewalk at PD parking garage
- Removed headstone from flagpole area at Suppeland Park
- Marked area for Girl scout project area with Russ
- Removed gravel in grass area at park
- Took down and put away snow fence
- Installed retaining wall at PW/PD compound
- Picked up trash in ditches on Cortland Center Rd.
- Moved electrical box at memorial location
- Cored out for memorial sidewalk for Jeff
- Removed and cleaned all snow plowing equipment
- Began dirt work at Suppeland Park
- Spent 2 days hauling debris out of Fairdale
- Put 4 loads of salt in new building, the counties loader is still being used in Fairdale so it is unknown when we will be able to take delivery of the balance of salt

Storm Sewer

Started working on trying to dry up CCP pond. We are installing two low flow inlets to help divert the daily water run but still allow rain events to go overland

Thank you, John
