Water and Wastewater Department

The water and wastewater department is requesting approval on purchasing approx. 480 feet of security fence for the Well 4 facility (269 E Maple St). Installation would be completed by Peerless Fence. To be paid from approved FY16 budget line item 07-7400-811

The fence will be identical in appearance and construction to the fence at the North Ave Lift Station.

Specifications were developed and RFP's were mailed to three commercial fence installers as identified by the manufacturer of the fence type that was specified. Two proposals were returned.

Peerless Fence $39,442.00

Complete Northern Illinois Fence $40,539.00
