From: Fehr Graham
Date: September 21, 2015

A. MFT Projects:

This year's project was advertised for re-bid due to a reduced scope of work. The project is anticipated to be completed by October 31, 2015.

B. DCEO Grants:

The parks grant modification is under legal review. The street department has completed some work which was proposed in the grant.

The turbo blower has been delayed until the next grant cycle. The grant cycle has not been opened due to the budget issues being discussed downstate.

The proposal by Montalbano has been accepted with modifications by the IEPA and AAG. The Town is in process of reviewing and providing input.

Grading work and the sealing of some inlets has been done.

C. Miscellaneous Items:

- Attendance at DSATS meetings.
- Attendance at Board meetings, as requested.
- Building permit engineering review, as needed.
- Sidewalk and driveway inspections, as necessary.
- Monthly NPDES inspections.

Respectfully Submitted,
