Memo to: Mr. Russ Stokes – Mayor
Subject: Monthly Engineering Report – September

From: Fehr Graham
Date: October 19, 2016

A. Motor Fuel Tax (MFT) 2016:

Elm Avenue was cored out and millings were placed. The roadway is ready for final grading and paving. Peter Baker is scheduled to arrive mid-October. Construction is anticipated to last a couple weeks.

B. Cortland Center Road:

Nearly all underground work has been completed. The curb will be poured mid-October. Paving will begin late October. The second application for payment is anticipated late October.

C. Elm Avenue Drainage Improvements:

Construction is complete. Restoration is planned to occur mid-October. The first pay application is expected late October.

D. DCEO Grant:

The turbo blower order has been placed. The blower is anticipated to be delivered early January and in operation two weeks later.

E. Miscellaneous Items:

- Review plat checklists and development code, as needed.
- Attendance at Board meetings, as requested.
- Building permit engineering review, as needed.
- Sidewalk and driveway inspections, as necessary.
- Monthly NPDES inspections.

Respectfully Submitted,
