AUGUST INCIDENT REPORT:

During the month of August, we responded to a series of trending incidents that have been on the rise in recent months. Those incidents include fraud and attempted suicides. In August we had seven reported fraud complaints, primarily occurring via phone contacts, including social security scams, credit card scams and fraudulent On-Star reports to gain access to vehicles. These incidents have primarily targeted the elderly. We also responded to several suicide attempts in August, which continues to cause us concern. Our officers assisted the despondent individuals by providing support until medical personnel arrived.
