Monthly Report: Public Works

Town of Cortland

To: Mayor, Russ Stokes
From: John Kocher

08/19/20 to 09/21/20

Streets and maintenance

- Patch pot holes as needed
- Hauled sidewalk squares from Nina to Curran from sidewalk replacement
- Started plaining sidewalk deflection areas starting in Cortland Estates approximately 20 addresses have been completed to date. Some addresses have more than one.
- Repaired plainer, bearing seized up.
- Completed catch basin work in Suppeland Park.
- We have started trimming trees, Benson and old town areas are complete.
- Removed dead tree on Linda and Nina.
- Cleaned up willow trees in the area where beaver problems are in Chestnut Grove pond. Also discovered a large wash out area and began hauling in concrete to fill in.
- Hauled Vermeer Vac to shop that we received a repair estimate of $15,000 to repair from Vermeer. After a little investigation and the help of You Tube we discovered the timing belt had jumped some teeth. $500 later we have a running machine again.
- Shouldered wash out in shoulder on North Street.
- Repaired delineators at RR crossing on Llanos.
- Repaired roller on back of Brush hog mower.

Storm Sewer

Jetted storm sewer that drains Elm Street.

Thank you, John
