Mayor Stokes asked for Waste Haulers wishing to speak.

DC Trash

Mr. Dan Christensen represented DC Trash. DC Trash has been in business for 2 years. His proposal included 5 year and 10 year contracts for unlimited services. DC Trash is able to provide services for town events. They are able to assist with disaster clean up. They were involved and led the tornado clean-up in Joplin Mo. They are not qualified to remove hazardous waste, but can partner with others to do so. They will pick up one bulk item per week at no charge. Hydraulic leaks, if they happened during pick-up route, will be repaired immediately. DC Trash is registered with IEPA to allow residents to bring items to their facility. New IEPA rules now require a coupon of equal or greater value (for the fee being charged) be given to whoever drops off electronics so they can drop off another item for free. All trash will be picked up whether it's in cart or bagged. Appliances can be picked up at a charge.

Groot

Mr. Josh Mulnar represented Groot. Mr. Mulnar has been a municipal manager for 9 years. Groot is a family owned and operated business with 100 years in Illinois. They currently work in 50 communities and pick up for 250,000 homes. Groot provided an alternative proposal that allows for every other week for recycling pick-up that would save the resident \$2.00 per month, dropping their rate to \$14.10 per month. Mr. Mulnar encourages contacting references as he believes experience is the key. Trustee Stone noted that they did not add a infrastructure fee. Mr. Mulnar stated that Groot will have a supervisor in town on collection day. Bulk items will only be picked up if driver has help or if item is less than 50 lbs. Customers can call for bulk item pick-up for an additional charge. They are capable of helping with disaster relief. Yard waste is an additional fee.
