Periodically there are opening for the Town's Planning Commission. This Application will assist the Town in considering residents for an appointment to the Planning Commission. All nominations are made by the Town President (Mayor) with the consent of the Town Board. From time to time the Mayor asks the existing Planning commission members to review these Applications before making the nomination. We welcome your interest in serving the community and appreciate your time in filling out this Application.

The Planning commission meets approximately once per month (occasionally more often) to review land use and development issues in the Town and proposed amendments to the Zoning Ordinance and Comprehensive Land Use Plan.
