Attorney Buick summarized the background of the Supplemental Settlement Agreement between UMB Bank as Trustee for the Bondholders for the Cortland Special Service Area and the Town of Cortland.

Comments/Concerns

Trustee Robins gave kudos to everyone and the work done on the litigation.

Trustee Fioretto reported that a resident had come to her home regarding Metronet issues.

Trustee Stone reported that he had received a call from a Metronet boring issue that severed a private well service line. He reported that the Metronet service staff were very professional and together HI Stone & Sons were able to find and repair the problem in very short order. One of the homeowner misconceptions is that private wells would be marked by JULIE. They are not.

Metronet made the repair at their expense, although it was not required. Mr. Stone stated that he had been contacted regarding closing a street for a block party. Mayor Stokes asked that he directed the individual to the Town Hall for the proper form completion.

Trustee Corson remarked that the committee is working on the Parade to be held on Sunday, October 13. He asked the Trustees consideration of holding the date and participating as an elected group and walking in the parade this year.
