**Discussion of Liquor Classifications – First reading of a proposed ordinance to Amend Title 3 Chapter 9 Section 3-1-14 A; adding H 1 Classification.**

In preparation of this discussion Attorney Buick has prepared a draft of a possible "Class H-1" which could accommodate Casey's request to sell hard liquor or the Town could just amend its current "Class H" license for allowing convenience stores that simply permits sale of package liquor for off-site consumption and not allow on-site as was required for video gaming.

Attorney Buick also discussed the possibility of creating a license classification for bars. Cortland currently has no provisions for bars and with current interest it may be time to start planning.

Attorney Buick encouraged everyone, to avoid "re-inventing the wheel" to explore regulations that other communities have, which can be easily accessed on the internet through Sterling Codifiers' website or Municipal Code Corporation's website. Trustee Siewierski will look at Sycamore's license fees and report back.

Mayor Stokes also suggested that the stipulation requiring owner/manager reside in town could be amended at this time. Mayor Stokes said he can appreciate why this may have been necessary when the town adopted the liquor code, but this may not be necessary any longer. Mayor Stokes asked Attorney Buick to look into amending residency requirement.
